Vivek is a partner in the Corporate Group of our Calgary office. His practice focuses on the energy value chain, from extraction or generation, transportation, and transmission to the marketing of energy products to end users. His practice also includes private M&A transactions, and he frequently advises clients in the structuring, ownership and operation of energy infrastructure projects.

He has represented clients on transformative projects, including the development of liquefied natural gas export facilities, equity participation transactions between energy industry project proponents and First Nations, renewables energy partnerships and the development of linear infrastructure projects throughout Canada.

Vivek is a director of the Canadian Energy Law Foundation, serves on the executive of the ABA International Energy and Environmental Law Section and has taught Oil and Gas Contracts at the University of Calgary Faculty of Law. Vivek is extensively involved in the Calgary community, including as Co-Chair of the United Way Major Donor Cabinet and as past Chair of the Board of Directors of the Centre for Newcomers.
