Osler's Tax Group is consistently recognized as a leading provider of tax law services in Canada and is ranked Band 1 by *Chambers Canada*, one of the leading legal directories in the world. From our offices across Canada, our tax lawyers operate as an integrated unit and in partnership with our clients to develop sophisticated solutions to our clients' most complex and important taxation issues.

With close to 60 tax professionals, we offer our clients expert advice on a broad range of tax matters of importance to their business interests. In addition, we are pleased to share with our clients and others the benefit of our extensive experience through our Osler Updates, seminars, webinars and other client tailored programs.

Osler is a long-time sponsor of the [Canadian Tax Foundation](#) (CTF), the International Fiscal Association (IFA) and the [Tax Executives Institute](#) (TEI) in support of the professional needs of the in-house tax community and as leading sources of insight on Canadian corporate tax issues.
