.....

Megan is an incoming third-year JD candidate at the University of New Brunswick who will be spending her summer at Osler working with the Intellectual Property & Emerging and High Growth Companies Groups.

Before entering law school, Megan earned a Bachelor of Business Administration with a double major in Finance and Operations Management Information Systems from York University, where she also played varsity basketball. During her summers she gained experience within the banking industry as well as in various operational management roles. Megan has a keen interest in business law, and continues to pursue this during law school.

Community Involvement

- University of New Brunswick’s Business Law Society, VP Marketing
- York University Athletics Leadership Committee, ran and participated in various clinics to both grow leadership and show leadership in the surrounding York community.
