.....

Michael has completed his second year of law school at the University of Toronto. Prior to law school, Michael obtained a Bachelor of Applied Science in Civil Engineering from the University of Waterloo, graduating with Distinction (Dean's Honours List). He has several years of experience in contract administration and project management within the construction sector, gained through coop work experience during his studies and following graduation. He is proficient in document review and organization, as well as internal and external stakeholder management.

During his time in law school, Michael has been involved in multiple oral advocacy initiatives, including the University of Toronto's Hamish Stewart Cup Moot, First Year Trial Advocacy, and the Donald G.H. Bowman Tax Moot.
