Bar Admission: Ontario, 2023

Areas of Expertise

Cybersecurity and Security Incident Response

Advertising and Marketing

Privacy and Data Management

Alannah is an associate in Osler’s Privacy and Data Management practice group.

Her practice focuses on a wide range of privacy, data management, and regulatory compliance matters. Alannah assists clients with navigating privacy, anti-spam, and consumer protection frameworks; reviewing advertising and promotional materials across all media; responding to data breaches; addressing privacy issues in transactional contexts; and drafting privacy policies and related operational documents.

Community Involvement

- Rainbow Railroad, Summer Student (Summer Public Interest Advocacy Program)
