Partner, Intellectual Property

Ottawa

(613) 787-1025

flunn@osler.com

Bar Admission: Ontario, 2012

Areas of Expertise

[Pharmaceuticals and Life Sciences](#)

[Intellectual Property](#)

[Intellectual Property Disputes](#)

Faylene practises intellectual property law with a focus on patent litigation, including proceedings under the *Patented Medicine (Notice of Compliance) Regulations*. Faylene has been involved in assisting clients on protecting and enforcing their patent portfolios in multiple jurisdictions. She also regularly prepares infringement, validity and freedom-to-operate opinions, particularly in respect of pharmaceutical patents.

A trained scientist with a doctorate in biochemistry and molecular biology from Dalhousie University, Faylene has had her scientific work in enzymology, organic chemistry, molecular biology and microbiology published in peer-reviewed journals and has presented at national and international chemistry conferences.
