Companies

Martin Smith is a senior associate in Osler's leading Emerging and High Growth Companies practice group. He acts as a trusted legal and strategic advisor to founders and technology companies throughout their full lifecycle, guiding them through start-up formation, financing, commercial arrangements, corporate governance and M&A. Martin also acts for the venture capital, growth equity, private equity and strategic investors who fund and acquire technology companies.

Martin has advised on numerous transactions across the technology sector, including most recently, Clio's US\$900M Series F and US\$500M Series G financings, Clio's US\$1B acquisition of vLex, Mangrove Lithium's US\$85M structured financing, FISPAN's \$41.3M Series B financing and Venn's \$21.5M Series A financing.
