### Areas of Expertise

Osler Works – Transactional

Natalie Janowski is a Senior Operations and Project Analyst on the Osler Works – Transactional & Legal Operations teams. Natalie plays a critical role in the operations and practice management of the teams.

She provides support to the practice as well as clients with respect to project management, practice and enterprise initiatives, and business operations activities.

Osler Works – Transactional, our in-house ALSP for transactions, focuses on providing high quality work at a lower price by combining our team’s expert knowledge of complex transactions with cutting-edge processes and technologies that improve efficiencies and offer a host of business advantages.

Our Legal Operations team is focused on transaction practice and enterprise initiatives to help transform how we provide legal services to our clients.
