.....

Bar Admission: Ontario, 1994

Steven is the Career Development Officer at Osler. He provides coaching and career development expertise to the firm's legal professionals. He is a member of the International Coach Federation. Previously, Steven coached MBA students at the Rotman School of Management and, prior to that, spent several years in the retained executive search field, leading recruitment teams and advising both candidates and corporate clients on their talent management strategies. Early in his career, he practised law with a focus on municipal issues, research and litigation.
