Areas of Expertise

Osler Works – Transactional

Technology

Emerging and High Growth  
Companies

Tara Martinez is a Business Architecture Lawyer on the Osler Works – Transactional team. In her role, Tara is responsible for practice transformation with a particular focus on corporate and commercial transactions.

Prior to joining Osler Works, Tara was an associate in the Emerging and High Growth Companies Department at Osler.

Focused on corporate and commercial transaction support, Osler Works – Transactional leverages cutting-edge technology, streamlined processes and the skills of a team of legal and other professionals to provide high quality legal solutions to clients. Osler Works – Transactional collaborates with attorneys and other professionals at the firm to deliver services to clients such as legal due diligence, contract analysis, closings and other transactional tasks.
