- Mergers and Acquisitions

Zander is an associate in Osler's Construction, Infrastructure and Energy group. His practice covers many aspects of corporate, commercial, project finance, and regulatory law with an emphasis on the energy, infrastructure, and construction sectors. Zander assists our clients with complex matters related to major infrastructure projects, public-private partnerships, renewable energy transactions, and commercial/industrial construction projects.

Zander obtained his J.D. and B.C.L from McGill University and a B.A. (Honours) in Global Development from Queen's University. Zander joined Osler as a summer student in 2019 and completed his articles with the firm in 2021.
